

Étape 1:

1. Ma région française est _____

Search for the recipe you are going to prepare. You want to choose a recipe that represents your region and that it is prepared with a minimum of 7 ingredients required for your project.

Your dish cannot be a recipe we studied in class:

— ~~La galette des rois~~

— ~~La ratatouille~~

— ~~Les crêpes~~

— ~~Le pain d'épices~~

Easy French Food

2. Once you have picked a recipe, bookmark it. Have the approval of your recipe by showing Mme Cantu the link of the recipe. If ok, you can continue your project.

3. Make a shopping list and mention in which petit commerce you will do your grocery shopping. Mention the quantity of ingredients you will need.

4. Extra Practice: [Faire des Courses Shopping Lists game](#)

Raise your hand and show me your final page with the "Tres Bien" logo for 1 point extra credit.

5. Extra Practice: [Help the chef game](#)

Raise your hand and show me your final page with the "Tres Bien" logo for 1 point extra credit.

6. Write **easy to follow** instructions for your recipe in French using the

imperatives we learned and use verbs of cooking instructions such as "add, pour, mix..."

7. Now think about how you will creatively **INTRODUCE** and **CONCLUDE** your TV show

8. Write a script for your show with these parts:

- Introduce yourself and the name of our show
- Say in French what you will be making
- State the region that this dish is from and locate it on the map.
- State any special facts about this dish (when the French eat it, why is it popular in your region)
- Say what ingredients you will need . (use the recipe and/or the shopping list you created)
- Say where you did your grocery shopping.
- List the utensils you will need, point at them
- Explain how to make the recipe
- Finish the skit with a goodbye

→Give a copy to Mme Cantu. You need to receive Mme Cantu's feedback before filming.

9. Edit your script based on Mme Cantu's feedback.

Give FINAL copy to Mme Cantu. Wait for Mme Cantu's feedback to finish project and start filming.

10. Practice your skit aloud. Ask any pronunciation questions!

Practice your lines in the mirror or with a family member.

11. Film your show. Edit your films into a final product. Add titles, captions, music, and credits if necessary. Share your final video copy with me via gdrive or youtube.

12. Prepare your food to bring into school on Monday by labeling it with:

- Your name
- Your class period
- The food item
- Mention in red if your dish contains any type of nuts.
